LinkedIn: [Mohammad Abdelhadi](#)

Experienced professional with one year of experience, adept at successfully building 10 projects both individually and as part of a team. Skilled in HTML, CSS, JavaScript, React, Node.js, Express, JSON, React Native, and MongoDB. Passionate about delivering high-quality solutions, staying up to date with the latest technologies, and enhancing user experiences.

PROFESSIONAL EXPERIENCE

Coding Academy by Orange Jordan

February 2023 - Present

Full-Stack Web and Mobile Developer Trainee

- Learned modern technologies: JavaScript (React), Node.js, Express.js, Mongo DB, MySQL, and React Native
- Implemented 7 projects on different technologies: individually and within groups.
- Took 100+ hours of soft and digital skills, like emotional intelligence, change management and agility.
- Acted as a Scrum Master and Product Owner in different projects.

Acquired expertise in advanced technologies, implemented real projects within professional context and used different technologies to be an experienced full-stack web developer. A first-place winner in the academy's hackathon 2023.
